Georgia Quick Start

A free program customized for companies in numerous industries. A Quick Start training regimen is shaped specifically for the skills that a company is looking to develop in its employees.

Training is conducted in classrooms, mobile labs or onsite at the company.

**Quick Start is provided at no charge by the Technical College System of Georgia.**

The program is versatile: Quick Start has prepared workers to assemble intricate aircraft components, grow bacteria for vaccines, manufacture plastic and metal products and field inquiries from customers, by phone or online, just to note a few of the industries served.
