Quiz: Question 1

The Minneapolis MSA labor force is

a) greater than....

b) less than....

c) equal to....

...the Austin MSA.
Answer: a – greater than

Austin MSA: 1,217,068

Minneapolis MSA: * 2,051,095

(*Minneapolis/St. Paul/Bloomington)
Minneapolis MSA

Minneapolis-St. Paul- Bloomington, MN-WI MSA

**MN Portion:**
1) Hennepin County
2) Ramsey County
3) Dakota County
4) Washington County
5) Scott County
6) Carver County
7) Chisago County
8) Isanti County
9) Le Sueur County
10) Mille Lacs County
11) Sherburne County
12) Sibley County
13) Wright County

**WI Portion:**
14) Pierce, St. Croix
Quiz: Question 2

The Minneapolis MSA unemployment rate, as of August, 2019 (preliminary estimate) is

a) greater than....
b) less than....
c) equal to....

...that of the Austin MSA.
Quiz: Question 2
Answer: a – greater than

Austin MSA: 2.9% August Unemployment
Minneapolis MSA: 3.1% *
Quiz: Question 3

Top industry sectors in Minneapolis are:

a) Health Care
b) Information Technology
c) Professional and Technical Services (includes public sector)
d) Transportation & Logistics
e) Construction and Specialty Trades
f) Manufacturing
g) All of the Above
Quiz: Question 3
Answer – g – all of these

Top industry sectors in Minneapolis are:

a) Health Care *
b) Information Technology *
c) Professional and Business Services *
d) Transportation & Logistics
e) Construction and Skills Trades
f) Manufacturing *
g) All of the Above
Quiz: Question 4

The average July temperature in Austin TX is ____ degrees _____ than Minneapolis.
Quiz: Question 4

The average July temperature in Austin TX is ___ degrees ____ than Minneapolis.

Answer:
13 degrees F higher
(96 vs 83)
Quiz: Question 5

The average January temperature in Austin TX is ____ degrees ____ than Minneapolis.
Quiz: Question 5

The average January temperature in Austin TX is ___ degrees ____ than Minneapolis.

Answer: 38 degrees F higher (62 vs 24)
Austin vs. Austin

Austin, TX (1200 miles from Minneapolis):
Known for live music festivals, SXSW

Austin, MN (100 miles from Minneapolis):
Known for Spam Museum, Hormel Historic Home

Minnesota’s Vision for the Workforce Development System

Vision Statement:
A healthy economy, where all Minnesotans have or are on a path to meaningful employment and a family sustaining wage, and all employers are able to fill jobs in demand. This vision statement was developed through Minnesota’s participation in the National Governor’s Association’s Policy Academy on Career Pathway Models.

Mission: The creation of a Career Pathway System that aligns local, state and federal resources, policies and services to meet the workforce needs of business and industry and improves access to employment, education and training services for Minnesota’s current and future workforce.

Rationale: The economic conditions of the 21st century require a more responsive approach to meeting the needs of business and industry; and the growing diversity of the workforce population. As economies become more global, competition will continue to increase and pressures on the inputs of production, specifically the timing, availability and skill base of the workforce.

A Career Pathway System approach will position the needs of a skilled workforce at the center of the system, recognizing the important role of a “dual customer” approach – businesses and workers. Businesses will lead sector strategies that address the most critical growth needs in occupations that support family sustaining wages. The diverse needs of workers will impact the design and delivery of employment and training programs and services to fulfill these employment needs and their career goals.
WIOA LWDA #10 Plan

The Minneapolis Workforce Development Board, in partnership with other Workforce Boards of the Twin Cities, will use the GreaterMSP Regional Dashboard indicators to assess progress toward regional economic growth and economic self-sufficiency.

The metro Boards will target two specific indicators to impact over a multi-year period: the employment gap between persons of color and whites and talent availability – particularly the number of individuals who receive credentials that contribute to associates degree awards in the region.
Program Highlights

MSP TechHire
- STEM and Information focused careers
- Collaborative in design – employers, trainers, CBO, government

Outcomes:
- 570 participants in MSP TechHire
- 424 trained
  - Many are still in training
- 315 employed
  - Average wage at placement: $25.12
  - 53% wage gain enrollment to placement

Cedar Riverside Opportunity Center
- Nearly 700 youth and adults served at the center in 2018
- Over 250 job placements
- High level of employer engagement
- 2019 continued focus on Health Care, STEM/IT, construction careers, and youth engagement

Health Hire
- New collaborative effort to bring multiple CBO, Minneapolis College, and multiple employers together to create healthcare pathways aimed at entry-level and tech positions
- Current pathways include:
  - Instrument Tech
  - Patient Access Coordinator
  - Nursing Assistant
  - Health Care +

Minneapolis Transportation Pathway
- Three CBO collaborative effort to bring multiple engage transportation careers, including CDL training differently and collectively
- Increased employer and business association leadership

Cedar Riverside Opportunity Center
- Nearly 700 youth and adults served at the center in 2018
- Over 250 job placements
- High level of employer engagement
- 2019 continued focus on Health Care, STEM/IT, construction careers, and youth engagement

800 West Broadway
- New partnerships in the building – PPL, HIRED, Minneapolis Adult Education
- New opportunities for employer and community engagement in 2019
- Site of new Career Force brand

Step Up
- New branding and program design initiative
- Credit alignment
Community-Based Partnerships
PUBLIC/PRIVATE PARTNERSHIP MODEL

Community Planning and Economic Development - Business Development meets Workforce Development

- Business Finance and Development Assistance
- Small Business Technical Assistance
- Local Workforce Hiring Commitments and Incentives
- Site-based and sector-specific solutions available

Workforce Development Board: 21 members
- President Laura Beeth, required private sector leadership
- Primarily private sector (WIOA requirements)

Sector Partnerships: Career Pathways
- Supporting women and minorities to remove/reduce barriers to access high-impact, alternative education and training opportunities;
- Increasing the visibility and raising public awareness of fast-growing, sustainable job opportunities in Minneapolis sectors by outreaching to area residents who are traditionally underrepresented, including disconnected youth, people of color, people with disabilities, and more
- Connecting employers, training partners, and skilled job candidates to fill the in-demand jobs of today, and to collaboratively develop talent for the future
- Private sector input into programming/project selection/impact analysis

Sector Strategies/Career Pathways

When individuals find their path to self-sufficiency and success, our region and state also prosper.

Targeted training opportunities – career pathways - our customers update or learn new skills based on real, in-demand jobs in the local area.

As these workers find new jobs, our area employers benefit from hiring workers with up-to-date skills that are now in demand. Our programming helps to serve a critical need for Minneapolis jobseekers and also aids employers by providing a pool of experienced workers to meet future labor needs.

Public/private partnerships generate win-win solutions for both the program participant and our business customers.

Office: 612-672-7188

34,000+ employees
5,000+ system providers
12 hospitals and medical centers
2,071 staffed beds
56 primary care clinics
100+ specialties
90+ senior housing locations
36 pharmacies
360,000 health plan members

- 2.1+ million clinic visits
- 1,144,520 outpatient registrations
- 106,101 inpatient admissions
- 90,411 surgeries
- 13,699 births
- 326,198 emergency department registrations
- 11,527 behavioral inpatient admissions
- 236 blood and marrow transplants
- 331 organ transplants
- 2.3+ million pharmacy unit sales
At Fairview Health Services we are proud of the equity based workforce programs that we offer including Earn and Learn opportunities such as apprenticeships, dual training, sponsorships...

We are also passionate about our anchor mission outreach, some examples include the Cedar Riverside Opportunity Center, Scrub Camps, Central Corridor Fellows Program, Diversity Nursing Initiatives and our strong commitment to increase local zip code hiring.
What are you most proud of as a local employer?

– Our authentic partnerships, and the commitment to the communities we serve.

– We are also very proud of the volume and diversity of programs and strategies we utilize to attract, hire and develop local talent.
At Fairview Health Services we have an Amazing in house talent acquisition team working together on short, mid, and long term workforce recruitment strategies.

– We care deeply about our communities and we want our employee population to mirror our patient population.
Employment gaps are narrowing but gaps persist

According to the American Community Survey:
City of Minneapolis:
2017 – Labor force participation: 74.2%
Unemployment rate: 6%

55454:
2017 – Labor force participation: 58.1%
Unemployment rate: 10.8%

55411:
2017 – Labor force participation: 67.4%
Unemployment rate: 14.6%

55407:
2017 – Labor force participation: 77.2%
Unemployment rate: 7.1%
2018 Employment and Training Service Geography

Minneapolis Best-Kept Secret

• In 1883, the Chamber of Commerce introduced its first futures contract: hard red spring wheat. By 1946 "Chamber of Commerce" had become synonymous with organizations devoted mainly to civic and social issues. In 1947, the exchange was renamed the Minneapolis Grain Exchange. Today the exchange is most recognized by its logo and uses MGEX as first reference.

• On December 19, 2008, the Minneapolis Grain Exchange ceased operations of the open outcry trading floor, but continues daily operations for the electronic trading platform. Today, HRSW futures trade exclusively electronically and options trade side-by-side.

• Grain exchange c. 1939
