

— WE WANT TO —  
**THANK YOU**  
— FOR YOUR SUPPORT —

Whataburger® is a proud member of the Austin Chamber of Commerce and we are excited to partner with this organization on wonderful events, like the State of Talent & Education 2020. Understanding, supporting, and showcasing our education system's achievements aligns with our brand's charitable pillar, Feeding Student Success. We know how important our children's future is and the teachers, staff, administration, and curriculum all play an important role.

Each Whataburger restaurant is committed to assisting local area schools through several different opportunities. Some examples are:

- Profit share fundraising events
- Providing discounted menu options for large school orders
  - Partnering to sponsor athletics team
  - Celebrating our graduates each year
- Providing coupons as incentives for students

For more information on how your school could benefit from the different Whataburger programs, please click **HERE** and complete the form. The brand development representative for your area will be in touch.

Continue to look through the following pages to learn more about our Feeding Student Success program and make a note of the special discount code for your first Whatastore.com purchase! Thank you again for your patronage of our restaurants and your continued support of education.

We are excited to be working side-by-side you to better our children's opportunities!

## WHATABURGER AND STUDENTS GO HAND IN HAND

Whether they're a kindergartener celebrating the first day of school with fries and a milkshake, high school athlete reliving the big plays after a game, or college student fueling up for an all-night study session, we are honored to have a role in these moments big and small.

Whataburger celebrates the potential of all students and the power of education through our Whataburger Feeding Student Success program, which focuses our charitable giving on ways that help students from pre-k to college achieve their dreams. At Whataburger, giving back to communities has been part of our DNA for more than 70 years. We know for neighborhoods to prosper, students of all ages, abilities, and backgrounds need access to educational opportunities.
